

### **Middle School Math Teacher**

George Walton Academy is seeking a **Middle School Math Teacher** for the 2020-21 school year.

Candidates must have prior teaching experience at the middle school level, preferably in an independent school environment. George Walton is seeking energetic teachers who motivate students and foster enthusiasm in the classroom. Ideal candidates develop strong relationships with students; are attuned to the developmental, social, and emotional needs of middle school students; and are interested in being part of a dynamic group of teachers who work collaboratively.

Ideal candidates will have the knowledge and skills needed to help GWA students discover the relationship between failure, troubleshooting, and problem solving as an integral part of the learning process. He or she will not only have superb content knowledge, but will also possess wide-ranging academic preparation, a successful history of working with young people, strong communication skills, and a history of professional interaction patterns with colleagues and parents. During the interview process, well-qualified applicants will also be asked to teach a sample.

**More specifically, we are looking for candidates who:**

- Possess a desire to collaborate with colleagues and a commitment to encouraging the potential in every student.
- Differentiate and teach to multiple learning styles.
- Are eager to collaborate with a departmental team.
- Creatively integrate technology in the classroom to enhance teaching.
- Are excited to work with students outside of the classroom by leading an advisory and act as the primary liaison with parents/guardians.
- Possess a bachelor's degree in related field; master's degree preferred.
- Are passionate math teachers who excel in both content knowledge and pedagogical expertise.

Please send resume to Head of School Dr. Dan Dolan at [ddolan@gwa.com](mailto:ddolan@gwa.com).
