

Dear Lower School Parents,

In an effort to streamline the ordering process of lower school supply packs, next year all lower school students will receive a school supply pack and families will be billed through FACTS. School supplies will be waiting for each student in his/her classroom on the first day of school and you will be billed for the supplies in mid-August.

- K3 and K4 supplies will be \$16
- K5 through 5th grade supplies will be \$55
- K4 and K5 students are required to have a rest mat. Rest mats will be available for purchase in the Dawg Shop.
- Third-grade students are required to have a recorder for music. Recorders will be available for purchase in the Dawg Shop.

Thank you,

Christie Johnson
Dawg Shop Manager
