

There are many opportunities available to help fund a student's education at George Walton Academy. Families are encouraged to contact the Admissions Office to discuss options and to determine the best fit based on their needs. GWA is committed to working with families to help make a GWA education possible to dedicated and qualified students.

Tuition Assistance

Financial aid is awarded annually based upon a family's ability to pay. Applications are available on the school website: gwa.com. There's no specific income that automatically qualifies a family to receive need-based financial aid at GWA, as income is only one factor considered during the financial aid process. Other factors include but are not limited to, family size, number of children and family assets.

GOAL Scholarships

The GOAL Scholarship Program provides greater opportunities for access to learning for all Georgia children. Scholarships are awarded based on financial need. To qualify for a scholarship, a student must be:

- a Georgia resident who is currently enrolled in, and has attended a Georgia secondary or primary public school for at least six weeks immediately prior to receiving a scholarship or tuition grant under this law, or
- eligible to enroll in a qualified Pre-K4, Kindergarten, or first grade program, or
- receiving GOAL scholarship funds while attending another independent school.

GWA Arts Scholarship

These scholarships are awarded to talented and dedicated students who are entering GWA in middle or upper school and have demonstrated excellence in:

- Performing Arts, including music, vocal, drama, dance, broadcasting
- Photography and Video
- Visual Arts, including drawing, painting, sculpture, and graphic design

GWA Honors Scholarship

These merit-based scholarships are awarded to high-achieving students who are entering GWA in middle or upper school and who demonstrate excellence in academic and leadership pursuits.

Steven Whitley Scholarship

These scholarships honor the legacy of a dedicated GWA administrator and provide both need- and merit-based, non-tuition awards for students pursuing extraordinary academic, artistic, or leadership opportunities while enrolled at GWA.

Intra-ships

GWA offers tuition relief to students who complete intra-ships by serving as peer tutors and providing technology support in the HUB. If interested in applying for one of these intra-ships, please contact Director of Admissions, Cari Bailey at cbailey@gwa.com.

Payment Plans

The Academy offers several payment plan options. Please contact the Admissions Office for assistance in selecting the plan that best meets your family's needs.
