

DRESS CODE

George Walton believes the dress code is an important component in promoting and teaching many characteristics that we feel are essential; among them are responsibility, accountability, attention to detail, and the importance of a neat and well-groomed appearance. There are guidelines that govern dress and grooming to ensure a relatively consistent appearance. This list is not all inclusive. The school reserves the right to make and enforce changes during the school year that are not listed.

Dress Code Violations Guidelines

Dress code issues should be addressed before leaving home, but no later than at the beginning of school each day by the student's first period teacher.

All dress code violations will result in a demerit. Violations not immediately correctable at school will result in students calling parents to bring acceptable attire to the student. Repeat dress code infractions will result in formal dress code requirements (to be addressed with the student and parents at that time) and/or further consequences deemed appropriate by the Dean of Students.

Demerits

Any student who violates any of George Walton Academy's rules will earn a demerit. When a student has accumulated three (3) demerits in a semester, he/she will be given an afternoon detention. For each subsequent demerit, the student will once again serve an additional detention. If a student's number of demerits becomes excessive, then that student will face more severe disciplinary actions.

Detention

Detention will be held after school and will last for one hour. Students assigned to a detention will be required to miss other obligations including extracurricular activities and athletic practices. Students who need to reschedule their detention due to circumstances outside of his or her control must get permission from the Dean of Students ahead of time. Students who fail to attend or who fail to complete any given assignments will be assigned an additional penalty. If any senior receives a detention, it will result in the loss of senior study hall privileges for four weeks.

Consequences or Detention could consist of any of the following actions:

- Writing assignment
- Campus Clean up
- Grounds Clean Up
- Emptying trash cans around campus
- Emptying recycling bins
- Cleaning desks/chairs
- Cleaning/Vacuuming floors
- Cleaning windows
- Loss of driving privileges
- Loss of cell phone privileges (cell phone must stay with administration personnel during the detention and the following school day)
- Loss of athletic practice attendance
